The HKD-TR05 Series LED Track Light is a fully integrated luminaire designed for superior commercial display and accent lighting. Equipped with high-quality COB LED chips and a deeply recessed cover, it delivers outstanding color consistency and glare control. A standout feature is its adjustable beam angle from 10° to 60°, offering unparalleled flexibility to highlight products or create the perfect lighting ambiance. With dual-circuit track compatibility and versatile power options, the HKD-TR05 ensures reliable, efficient, and customizable illumination for diverse applications.
