

LED
Food Light

This outdoor LED floodlight is engineered for durability and performance, featuring an IP66-rated water-resistant design that ensures reliable operation in all weather conditions. With a luminous efficiency of 100 lm/W and an impressive lifespan of up to 50,000 hours, it delivers long-lasting, energy-efficient illumination. The floodlight offers customizable color temperatures (3000K/4000K/6000K/Blue/Green/Red/RGB) and adjustable beam angles from 20 to 30 degrees, making it ideal for a wide range of outdoor lighting applications. Whether used for architectural accents, landscapes, or signage, this floodlight provides both flexibility and exceptional lighting quality.

APPLICATIONS

Outdoor area flood lighting, Outdoor billboard lighting, Logo/Signage illumination, Other public and industrial areas
