Spot Light

The LED Spotlight HKD-SP49 is a high-performance recessed LED downlight featuring advanced COB technology for powerful, energy-efficient illumination. With a 360° rotatable design, it offers flexible lighting angles, ideal for homes, offices, and showrooms. A high color rendering index ($\text{CRI} \geq 90$) ensures true-to-life colors and visual comfort. Sleek and modern, the HKD-SP49 combines durability with style, making it a perfect lighting solution for spaces requiring premium light quality.
