

LED ***Food Light***

The HKD-FL50 LED Floodlight is a high-power outdoor lighting solution designed for efficiency and durability. Featuring advanced LED technology, it offers low energy consumption, reduced maintenance costs, and an extended lifespan. This makes it an ideal replacement for traditional high-intensity discharge lamps such as Metal Halide and Halogen floodlights. Engineered for superior performance, the HKD-FL50 ensures optimal brightness, weather resistance, and long-term reliability, making it perfect for stadiums, parking lots, warehouses, and outdoor facilities.

DETAIL

CRI80

100lm/W

Lifetime30.000hrs
