

## LED Flood Light

The HKD-FL60-SMD LED Floodlight provides an energy-saving outdoor lighting solution with reliable performance and long-lasting durability. Utilizing advanced LED technology, it significantly reduces power consumption and maintenance costs while ensuring optimal brightness. As a cost-effective alternative to traditional Halogen and Metal Halide floodlights, it lowers operational expenses without compromising efficiency. Designed for durability and weather resistance, the HKD-FL60-SMD is ideal for parking lots, warehouses, outdoor facilities, and various commercial applications.
