# Made for Every Day

Work, live, and play. When every day is a flurry of activities in different spaces, **Obria™** can be the constant that synergistically connects every space – for working, living and playing. **Obria™** is made for every day.

# Made for Distinction

Less is more. That is why there is nothing simple about the design of **Obria™** – from the front view to the side profile. Every detail down to the curvature of the plate is designed to exude unique, understated style and modernity. You can't go wrong with **Obria™**.

Minimalist aesthetics –  
no frame and full plate

## **Borderless rocker**

The vertical curved borderless switch rocker is smooth to the touch and optimum for natural operation.

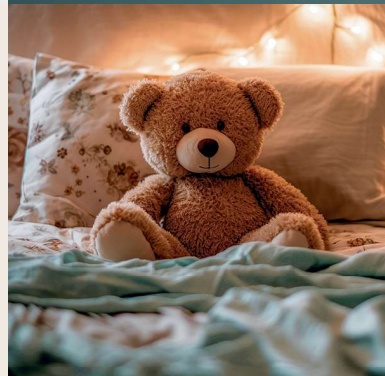

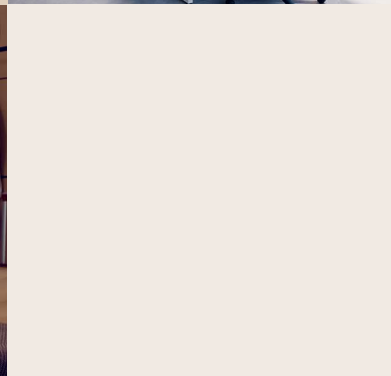

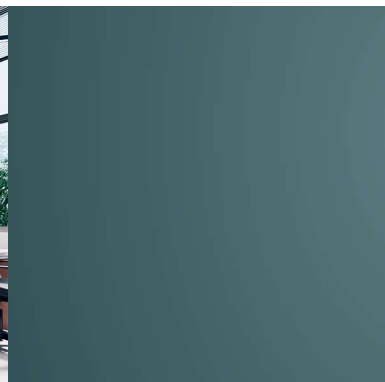

Elegant profile  
– slim and  
clean lines

**Curved Plate**

The slightly curved plate goes hand in hand with the slim profile.

An attractive range –  
classic and modern all at once

# Made for Harmony

Style is personal. There is no reason to settle for less or follow the crowd. Every style should be celebrated. With **Obria™**, colours are kept neutral so that **Obria™** blends right in whether you are going for strong contrasting colours or soothing harmonious tones. You have the final say.

### Healthy Assortment

Available in four colours from 1-gang to 4-gang, **Obria™** switches offer many possibilities.

Matt Black

Matt White

Champagne

Dark Silver

# Made for Versatility

In life, there's only room for the things that matter. **Obria™** is the perfect illustration, always versatile, always ready to meet every need for every use case in every space - in the home, at the office, working from home, or in a hotel room.

1-gang Multi Standard socket with USB Type-C fast charge feature (Power Delivery)

Fast-charging power delivery reduces charging time

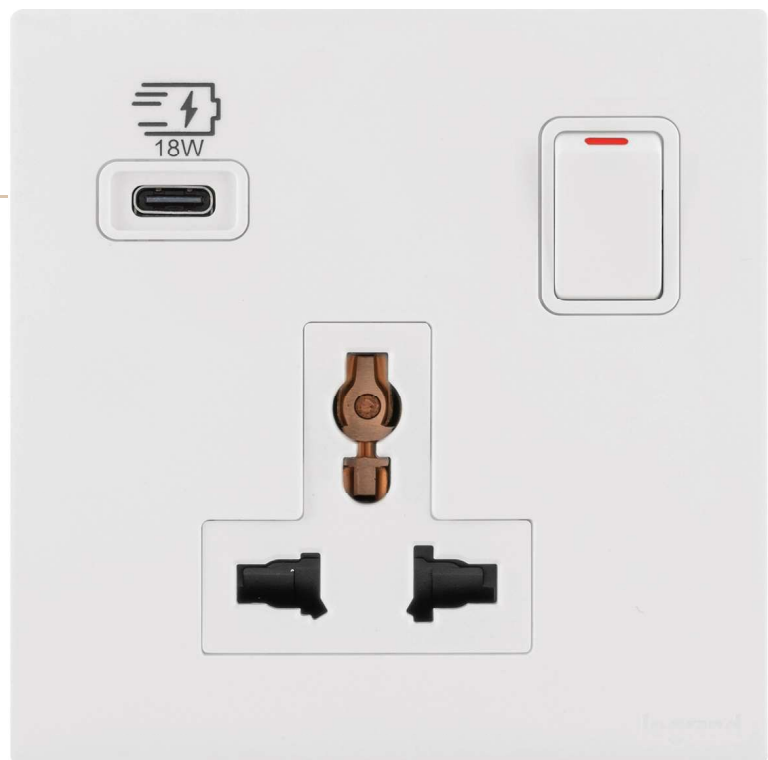

Optimum voltage supply to avoid overcharging

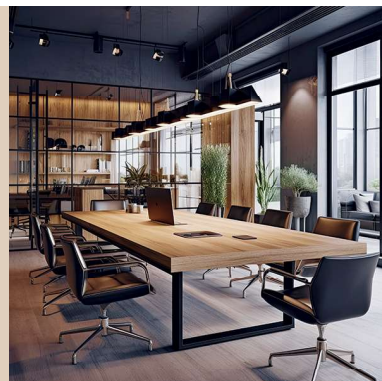

Cuts off power delivery upon full charge for more efficient energy consumption

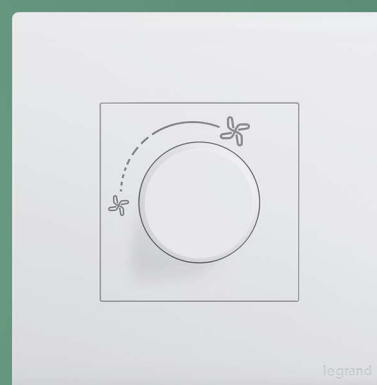

Maximises battery lifespan and user safety

1-gang HDMI Type-A socket  
+ USB Type-A data socket

5-speed fan control

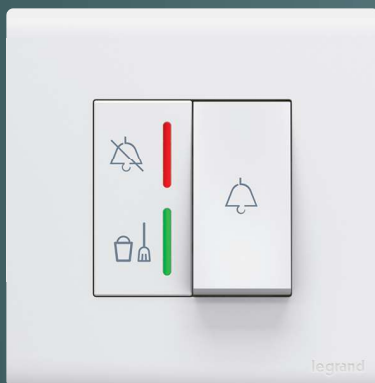

1-gang RJ45 Cat. 6 UTP  
+ TV "F" type socket

1-gang Duplex Euro-US standard 16A socket  
and IP55 cover

# Made for Hospitality

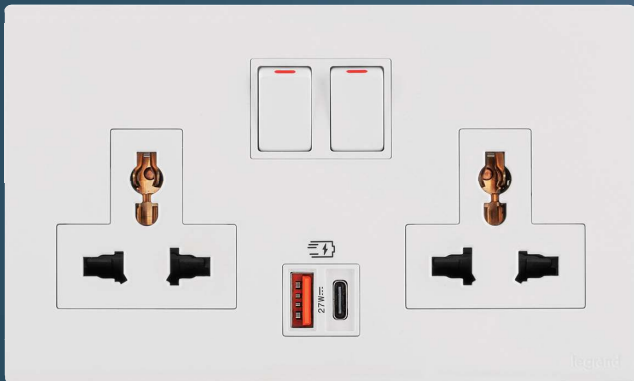

There is no place like home. Nothing is more comforting than familiarity in a new environment. Equipped with essential functions tailored for hospitality projects, **Obria™** ensures that every guest feels at home – even when they are a thousand miles away from home.

DND/MUR indicator + doorbell

DND/MUR guest room control

2-gang Multi Standard socket with USB Type-A & Type-C fast charge feature (Power Delivery)

Adaptor for Arteor mechanism

Electronic room thermostat

**More Functions**  
For complex hospitality projects that call for added functions, **Obria™** works seamlessly with the Arteor adapter to offer more.

Double USB Type-C charger 30W Fast charge

Key card switch

Shaver socket

#### Time Saving

Large terminal capacity allows for quick and easy wiring.

#### Robustness

The one-piece structure of the base and support, combined with the ribbed pattern, makes the switch strong and sturdy.

# Made for Efficiency

Timely completion and quality delivery – totally possible with **Obria™**. Made for quick and easy installation regardless of site condition or installer experience, **Obria™** is every project manager's dream come true. When you choose **Obria™**, you choose productivity every day.

### Universal Screw Heads

Only one screwdriver head is necessary for both wiring and adjusting **Obria™** during the installation.

### Easy Adjustment

Oblong shaped holes make adjustment fuss-free when the switch is not straight.

### Safe and Fast Installation

No access to metal parts during installation combined with the one-piece plate/mechanism means installation can be completed in three simple steps.

| 1    | 0 401 49   | Makes 2-wire electronic lighting control units without neutral compatible with all commercially-available loads (LED, compact fluorescent, ELV halogen with ferromagnetic or electronic ballast, 230 V halogen, fluorescent tube, incandescent)<br>Consumption: 0.4 W |

**Obria™**
**multistandard + Euro-US socket outlets**

**Obria™ - multistandard socket outlets**
**and multistandard socket outlets with USB charger**

MEC31049WH

MEC32053SL

Dimensions: 86 x 86 mm (1-gang) / 146 x 86 mm (2-gang)  
 Supplied with 2 screws M 3.5 for BS boxes  
 Supplied as complete product with protective film  
 All sockets integrate child protection

MEC33083WH

Dimensions: 86 x 86 mm (1-gang) / 146 x 86 mm (2-gang)  
 Supplied with 2 screws M 3.5 for BS boxes  
 Supplied as complete product with protective film  
 All sockets integrate child protection

| Pack | Cat.Nos    |                                                                                                                                                                                                                                       |

MEC27075WH

MEC36019SL

MEC27072SL

MEC27007SL

Dimensions: 86 x 86 mm (1-gang and 2-gang) / 86 x 150 (2-gang shaver sockets)  
 Supplied with 2 screws M 3.5 for BS boxes  
 Supplied as complete product with protective film

| Pack | Cat.Nos    | RFID key card switches                                                                                                                                                                                                                                                                                                                                                                                                    |
