

LED  
**COB**  
*Track Light*

The LED Track Light TR-07 series is a fully integrated LED luminaire, perfect for commercial display and accent lighting applications. This luminaire ensures excellent color consistency and glare control with chip-on-board (COB) LED chips and a deeply recessed cover design. The dual-circuit track connection ensures compatibility with existing tracks, while flexible power and beam angle options make the LED Track Light TR-07 suitable for a wide range of applications.
